

Connecting an Apple computer to the COA Computer Network

Step 1: Connect to the wireless network called “coacloud”

Step 2: Once on campus, open your internet browser; Mozilla Firefox, Safari, etc. You should automatically be redirected to <http://bradford.coa.edu/registration>.

Step 3: The first page you come to is this welcome page. The first thing you need to do is click the link that says “If you have a COA account click here”.

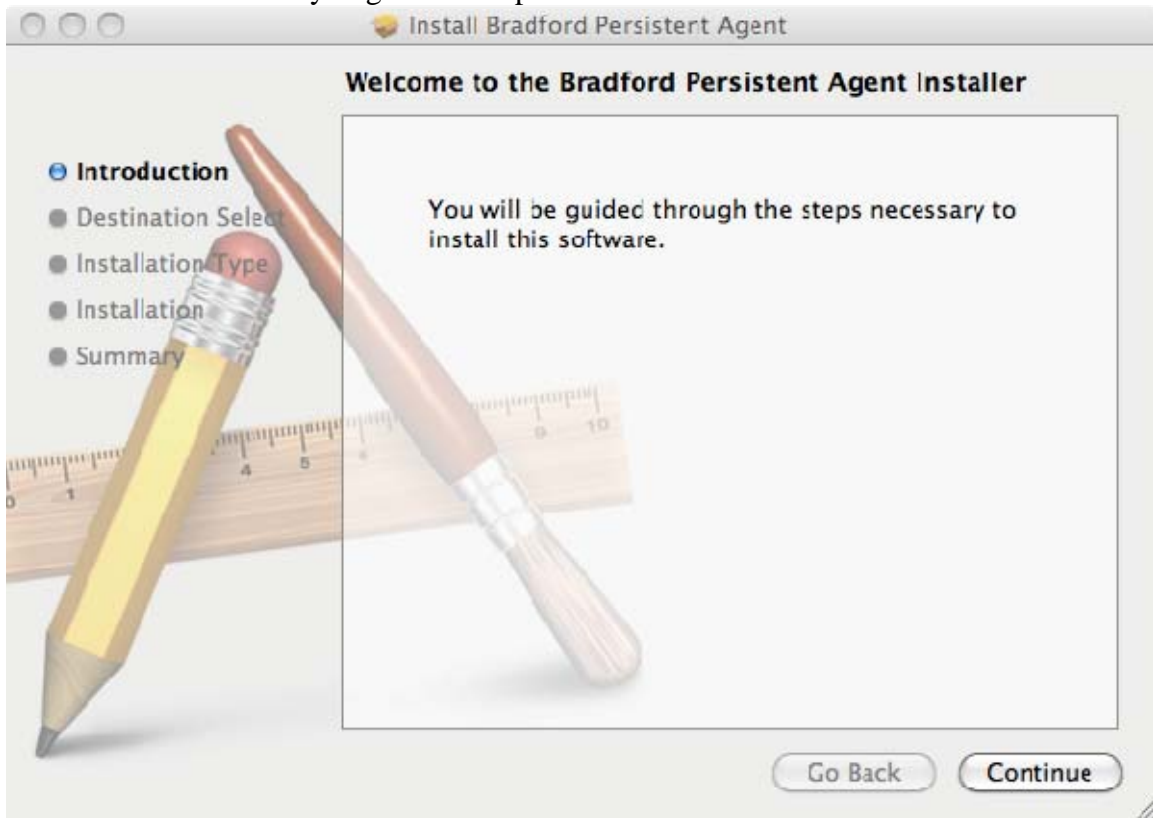

Step 4: You will then come to a login page where you enter your user information. Once the information is entered, a file called “Bradford Persistent Agent.dmg” should download.

Step 5: After the file downloads, it should open. If it doesn't, double click on it. A folder

that looks like this should pop up.

Step 6: You then will get the Bradford Persistent Agent Setup installer. Just hit next let it do the installation until you get the completed window

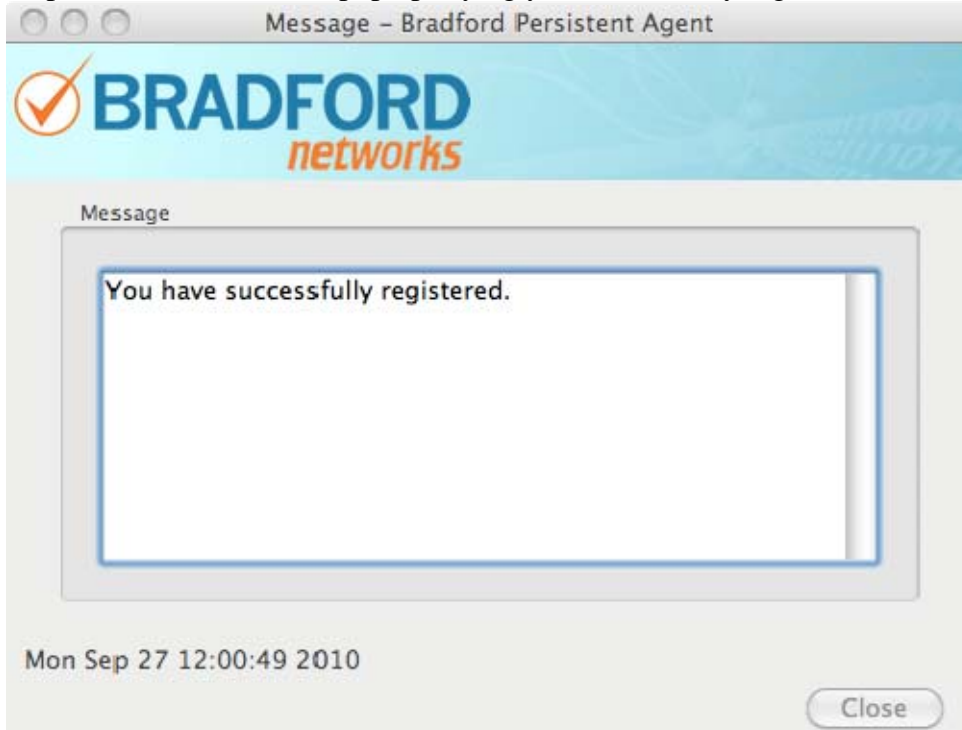

Step 7: A log in window will appear. Enter your COA email username and password.

The screenshot shows a web browser window titled "Login - Bradford Persistent Agent". The header features the Bradford Networks logo (a checkmark in a circle) and the text "BRADFORD networks" in blue and orange, with "College of the Atlantic" below it. The main content area is titled "User Information" and contains a box with the instruction "Enter user name and password". Inside this box are two input fields: "User Name" and "Password". Below the input fields, the text "For assistance contact the IT Helpdesk at 801-5653" is displayed. At the bottom right of the form is a blue "Login" button.

Step 8: A window should pop up saying you successfully registered. You are now online!

The screenshot shows a message window titled "Message - Bradford Persistent Agent". The header features the Bradford Networks logo and the text "BRADFORD networks" in blue and orange. The main content area is titled "Message" and contains a large text box with the message "You have successfully registered." Below the message box, the date and time "Mon Sep 27 12:00:49 2010" are displayed. At the bottom right of the window is a "Close" button.
