

ADVISING TEAM

Each College of the Atlantic (COA) student is assigned an academic advisor. Advisors are assigned by the Advising Team to new students during the weeks preceding their arrival on campus. The Team makes every effort to place new students with a faculty member who teaches coursework in the student's field of interest. You can find the name of your advisor on your portal, under "My Grades".

If you have not yet been assigned an advisor and have questions pertaining to your selection of courses and/or college life at COA in general, please feel free to contact a member of the Advising Team.
