In order to prioritize students with the most need, we used their IEFCS to determine which students would be eligible to receive aid and how much they would receive (see chart on page 2). Using these criteria, we determined that 106 students would be eligible to receive funding.

TOTAL NUMBER OF STUDENTS WHO HAVE RECEIVED GRANTS

METHODS TO DETERMINE GRANT RECIPIENTS AND AMOUNTS

COA convened a committee to determine which students will receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CRRSA Act. The committee included the Controller, Dean of Admission, Director of Financial Aid, and Annual Fund & Grants Manager. The committee developed a formula to distribute funding based on need and enrollment. COA developed the following criteria to determine the recipients and amounts, and determined a disbursement schedule.

Eligible students

- Students are eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965; and
- For both the spring 2021 and fall 2021 distributions, students were required to be enrolled for those respective terms at least ½ time.

Grant amounts

COA calculated grant amounts based on each eligible student's Institutional Expected Family Contribution (IEFC). See chart below:

Spring 2021 IEFC	CRRSA Amount per student	# students receiving grants	Grant total by IEFC category
0-2999	\$1,000	46	\$46,000
3000-5999	\$700	23	\$16,100
6000-9999	\$400	22	\$8,800
10000-14999	\$250	15	\$3,750
		106	\$74,650

Disbursement

On March 25, 2021, COA distributed \$74,650 in emergency grants via checks to students whose spring term 2021 education was disrupted by the pandemic. COA will reserve the remaining \$77,043 to be distributed to students in the fall, and possibly later, in recognition that the impacts of the pandemic will continue and students will continue to experience economic hardship as a result.

INSTRUCTIONS TO STUDENTS

COA emailed student grant recipients to advise them that they would be receiving a check. COA also enclosed a letter with each check. The letter describes the grant program and includes this text to inform students about the intended use of the grants: *“According to the Department of Education, these funds ‘are to be distributed directly to students or applied to student accounts with permission and must be used to cover expenses ‘related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance, such as food, housing, course materials, technology, health care, and child care).”*
