

2023 College of the Atlantic College Counselors' Getaway Price Sheet

After three years, we're excited to offer our College Counselors' Getaway again! If selected, counselors should expect to participate in events and activities all day long. Below, you will find costs for family members based on age and room type. We are limited in our housing opportunities. Please use this sheet to estimate the cost for your family members (if space allows). Cost includes meals and accommodation for 3 nights.

Guest allowance and room configuration are dependent on space availability. More information will be provided at the time of acceptance into the program.

Guest	Cost
Adult (18+)	\$280 for a shared double, \$325 for a single
Child 13+	\$280 for a shared double, \$325 for a single
Child 4-12	\$205 for a shared double, \$275 for a single
Child under 4	Free

No person under the age of 18 may be here unaccompanied, they must have another adult present (as the counselor will be occupied during the day).
