

COLLEGE OF THE ATLANTIC'S

PRESIDENTIAL SCHOLARS

FALL FLY-IN

Each year College of the Atlantic selects a group of incoming students to receive a Presidential Scholarship. This merit scholarship is awarded to COA applicants based on their academic achievement and contributions to their communities.

All COA applicants are automatically considered for merit-based scholarships. However, attending the Fall Fly-In event is one important way for the COA admission staff to learn about you and your goals for college and beyond.

If you have a passion for learning and a strong desire to create change, you could be an ideal student for COA and a strong candidate for the college's Presidential Scholarship.

We invite you to apply to become part of our Presidential Scholars Fall Fly-In program, a four-day visit to the college where you will see for yourself how a COA education works. If selected for this program, we will cover the cost of your trip to the college and provide meals and housing while you are on campus.

Please use this form to apply for the COA Fall Fly-In and return your completed application by July 21st, 2017

This program is open to high school seniors who attend school in the U.S.
