

College of the Atlantic Software Agreement for Non-College Owned Computers

College of the Atlantic (COA) is making this software available to you for installation on a personally owned computer at your residence, for college purposes. As a potential user, you are not licensed to use the software at home for personal purposes. You will not own the license; rather you are authorized to use the software for COA work-related purposes.

**Please read and initial each statement:**

- \_\_\_\_\_ I understand that I am not licensed to use the Software for personal purposes.
- \_\_\_\_\_ I understand that I do not own the license, but am authorized to use it for COA work-related purposes.
- \_\_\_\_\_ I will remove the software from my home machine upon the end of my COA employment.
- \_\_\_\_\_ I understand that no technical support is provided for my home machine.

Signature of person using software on non-COA computer: \_\_\_\_\_

Date: \_\_\_\_\_
