

Application for Bar Harbor Garden Club's Scholarship --Supporting Summer Field Studies Tuition

In effort to uphold their mission to *"promote the love of horticulture, to protect and conserve our natural resources, to provide educational opportunities, to contribute responsibly to civic and environmental needs,..."* the Bar Harbor Garden Club is generously offering eight \$100 scholarships for children to attend Summer Field Studies.

To apply:

Tell us about your favorite place in the natural world.

Options include writing a paragraph, drawing a picture (8.5x11" will do), submitting a poem, etc.

Print and fill out this form, attach with your submission, and mail to:

Summer Field Studies

105 Eden St.

Bar Harbor, Maine 04609.

Applications will be reviewed on June 1st, 2019.
