

2019-2020 Outside Scholarship Notification Form

Please complete this form and return to the Financial Aid Office as soon as you are made aware of any outside scholarships/ tuition benefits received. You may submit more than one form if necessary. *If you will not receive any outside scholarships, do not submit this form.*

STUDENT NAME _____ COA ID # _____

Please list any outside scholarships or tuition benefits.

Do not list any aid from COA that is shown on your Financial Aid Notification.

Name of donor or organization	Amount in 2019-2020	Paid in full or by trimester	Check mailed to student or COA?	# of years renewable	Conditions
J. Jingle SCHLR (example)	\$1,000	Trimester	COA	2	Must maintain 3.0 GPA

Outside aid rarely reduces a student's family contribution. If you receive a federal Pell grant or state grant, not already on your Financial Aid Notification, your COA grant will be reduced by a corresponding amount.

Outside scholarships or tuition benefits will reduce the self-help component (loans and work study) of your financial aid package. If all the self-help support in your award is cancelled, in some cases, the COA grant may need to be reduced or cancelled as well.

When adjusting aid, which do you want reduced?

☐ Loan

☐ Work study*

*Work study is not credited to your student account

In general, outside aid cannot reduce Federal Direct Unsubsidized Loans.
